(Department of Community Development)  
RESOLUTION

New Delhi, the 8th December 1960

No. 10(3)/60-Panch.—The country is wedded to a socialist pattern of society. During the past eight years the Community Development programme has been operating in the rural areas with all its resources and the resources made available by other departments and agencies. There have,

however, been complaints that while the Community Development Programme has benefited the richer sections of the community the economically backward and weaker sections have not received adequate share of its benefits, particularly in the field of economic development. The objectives of community development cannot be achieved nor a socialist pattern of society established unless concrete steps are taken to make adequate economic and other assistance available to the weaker sections as a priority in all programmes of development. The Conference of Ministers, I.S.C. (Panchayats) held at Bangalore on the 10th November, 1960, considered this problem and recommended the setting up of a Study Group on "the Welfare of the Weaker Sections of the Community".

2. The Government of India have accordingly decided to set up a Study Group on "the Welfare of Weaker Sections of the Village Community" to help formulation of a programme for this purpose.

- (7) Shri L. M. Shrikant, Commissioner for Scheduled Castes & Scheduled Tribes.

Shri R. Jagannathan—Secy.

4. The terms of reference of the Study Group are:—

- (a) To study how far and in what manner the Community Development Organisation and/or Panchayati Raj institutions at the village, Block and Zila levels can promote the economic development and welfare of the weaker sections of the community.
- (b) To suggest steps by which the development schemes of the Central and State Governments & Local Authorities and the financial assistance available can be effectively utilised for the benefit of the weaker sections of the community.

5. The Study Group is requested to complete its report as expeditiously as possible and not later than 31st March, 1961.
